

NATIONAL LEADERSHIP & SKILLS CONFERENCE

ATLANTA | JUNE 2023

Advisors Call to Action Session

The SkillsUSA Advisors Call to Action Session is an annual networking breakfast held on Wednesday morning of the National Leadership & Skills Conference (NLSC). Hundreds of instructors gather to hear news about career and technical education and receive organizational updates from SkillsUSA Executive Director Chelle Travis and her team.

This popular event attracts most SkillsUSA instructors attending NLSC as they enjoy interacting with SkillsUSA staff, the presenters and special guests and meeting other advisors from across the nation.

See the 2023 NLSC conference app for the start time and location of this year's event.
